

## **INNOVATOR**

Innovator events play a crucial role in driving innovation and progress in various domains and fields. It provides a platform for individuals to share ideas, collaborate and learn from one another, and offer opportunities for networking and gaining valuable insights. They can be a valuable resource for students and entrepreneurs looking to stay ahead of the curve in their respective domains.

### **Format:**

- Team Size: Maximum 2
- Topics will be given on the spot (Team members will be choosing it by picking up chits)
- Duration: 20 min per team (5 min for thinking + 10 min for presenting + 5 min for questionnaire)

### **Rules:**

- Each team will be asked to pick 2 chits which contain a technical domain mentioned in each.
- The team needs to think of an innovative product/solution of their own which can be developed by using a combination of the 2 domains.
- If they cannot think of a new product, they may also go ahead with an existing product and find ways to improve it by using the given domains.
- 5 minutes will be given for the above process.
- Failure to do so within the stipulated time will lead to disqualification.
- Once the 5 minute timer goes off, each team will be given 10 minutes to present their ideas to the judges.
- This will be followed by a round of questionnaires by the judges for the next 5 minutes.
- The judges' decision of the winners will be final.
